

Wp Advert Documentation

Description:

Add an Eye Catching Bar to catch the attention of your visitors in your WordPress site using this Plugin. You can display the Notification Message on this Bar for Members/Guests, Display in Home Page/All Pages/Pages By ID, on Top/Bottom of the site, 32 types of easing effects to the Eye Catching Bar and Notification Message etc. Show the Bar in Collapsed/Expanded state on page load with different types of Effect. Super Customizable Plugin.

Features:

- Custom Notification Messages based on the Referrer
- Show the Notification Bar to Member/Guest, Home Page/All Pages, Top/Bottom of the site
- Choose whether to Scroll, Alternate or Slide the Notification Text and also 32 types of easing effects to show the message in the Eye Catching Bar
- Select the Marquee Direction, Font Size, Font Color etc for the Notification Text
- Notification Bar's Target URL on Click, Color, Height, Border Color etc can be set
- Button's Text in Collapsed and Expanded state, Color, Height, Width, Position from Left etc can be set
- Show the Eye Catching Bar on Page Load in Collapsed or Expanded state

How To Install:

There are two ways to install the Plugin. One is the Automatic Installation and another is the Manual Installation.

Automatic Installation:

- Automatic Installation is the easiest option as WordPress handles the file transfers and you don't even have to leave your web browser. To do an automatic install of Wp Advert, log in to your WordPress admin panel and go to: **Plugins -> Add New**.
- In the **"Upload"** field browse Plugin zip folder "wpadvert.zip" and click upload. You can install it by simply clicking **Install Now**. After clicking that link you will be asked to **Activate Plugin or Return to Plugins Page**. Click Activate Plugin and the installation will automatically complete.

Manual Installation:

- Unzip the Plugin zip file ("wpadvert.zip").
- Using an FTP program or your hosting control panel, upload the unzipped Plugin folder to your WordPress installation's **wp-content/plugins** directory.
- Go to Settings -> Wp Advert for the admin customization.

- The Plugin works Automatically once you click **“Activate”**.

Requirements:

The minimum Server Requirements are as follows

- PHP 5.2.4 or greater
- MySQL 5.0 or greater

Browser Compatibility:

Wp Advert works fine with all top browsers such as IE8.0 +, Mozilla, Chrome, Safari, Opera etc.

Theme Compatibility:

Wp Advert should work fine with all the top themes.
