

# Fan Page Template 7 Instructions

## These Are Instructions Edit The HTML File: index.htm

1. Areas in **Red** need the url edited to point to the place you have the images online.
2. Areas in **Blue** need the Text edited to your Text.
3. Areas in **Green** is for the Viral Share button and needs editing with you info
4. Areas in **Gold** are for YouTube Video and need to be edited to your info.

Once you have edited these areas your ready to upload on to Facebook into your Fan Pages.

To upload simply go to your Fan Page click Edit Page under profile image than scroll down until you find the FBML App and click go to application top box is used to rename Tab and bottom is where you paste the template code you edited in and click save thats it view Fan Page your done.
