Run install

Turbo Instant Niche Templates will first check your server to see if it meets the requirements. If any of the

requirements is missing you will get a x icon instead of the green checkmark, so you will need to contact your host and ask them to install what is missing.

Once you get green checkmarks and no x mark, click on the button to proceed.

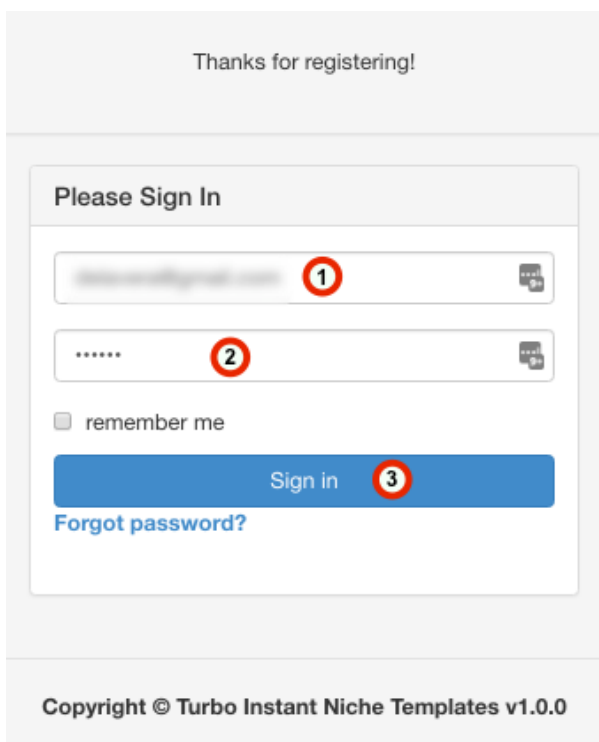

4 Create your credentials

The 'Account Wizard' form is titled 'Please fill the form'. It contains three input fields: 'Email address' (labeled 1), 'Password' (labeled 2), and 'Password confirm' (labeled 3). Each field has a small icon on the right. Below the fields is a blue 'Submit' button (labeled 4). The footer reads 'Copyright © Turbo Instant Niche Templates v1.0.0'.

- Insert your email address; that will be the email address where the password will be sent in the future if you forget it so be sure it's a good working email address.(1)
- Insert a password (2)
- Repeat the password (3)
- Click on the button to proceed (4)

5 Login

The login form is titled 'Please Sign In'. It contains two input fields: a username field (labeled 1) and a password field (labeled 2). Below the fields is a checkbox labeled 'remember me'. A blue 'Sign in' button (labeled 3) is positioned below the checkbox. A link labeled 'Forgot password?' is located below the button. The footer reads 'Copyright © Turbo Instant Niche Templates v1.0.0'.

- Type in the email address you used in the previous step (1)
- Type in the password you chose in the previous step (2)
- Click on the button to proceed (3)

Once done, you will reach the Dashboard.

Click on the "Instructions" link you will find in the navigation menu and proceed with the setup.
